All Grade Levels

Comprehensive Resources Support Specific Author and Title Studies

- Instantly find thousands of book and author resources in one place.
- Continually access new resources relevant to your existing curriculum.
- Half of TeachingBooks' resources are for elementary school; half are for middle and high school.

Facilitate discussion and learning about books with multimedia materials.

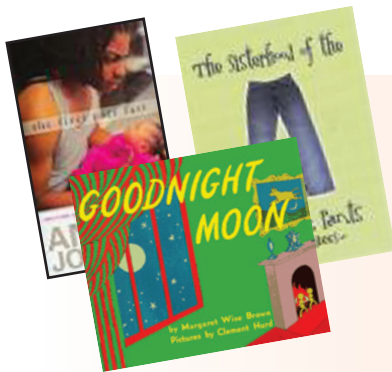

- Interactively explore thousands of children's and young adult literature titles.
- Access resources from school and home.
- Search by author, title, subject area and grade level.

Book Guides

Stimulate informative discussions about books through the use of Book Guides.

- Multiple guides for specific titles provide a variety of discussion strategies.
- Vast collection of guides for titles used in K-12 classrooms (from Eric Carle to Shakespeare).
- Professional resources for new teachers and teachers changing subject areas or grades.

Book Readings

Add a new voice to favorite titles via audio excerpts of Book Readings.

- Students instantly hear the rhythm and pacing of a book.
- Read by authors, professional actors and others.
- Useful for English language learners and struggling readers.

Author Websites

Reveal how authors think about their books with Author & Illustrator Personal Websites.

- Access personal biographies and interactive activities.
- Explore official sites overseen by the authors themselves.
- Easily contact many authors.

Searching TeachingBooks

Instantly identify specific author and book resources.

Advanced: Helps you hone in on resources by specific grade levels and subject areas.

Keyword Search: Allows for multiple search techniques, including Boolean AND, quotation marks and wild cards.

QuickSearch: Immediate search results for resources supporting book-related teaching tasks.

Educator Area

Comprehensive Resources and Services for Educators.

Thematic Booklists

Book Awards
