This link goes directly to the sign-in page, or it automatically authenticates if we have your external IP address range. If you authenticate your users prior to having them access your electronic resources and want a link with your password already embedded, contact us at (800) 596-0710 or info@TeachingBooks.net

****Logo** (choose the one that fits your space better):

****Sentence** (if needed):

TeachingBooks.net provides original, in-studio movies of authors and illustrators and a wealth of multimedia resources on K–12 books that generate enthusiasm for books and reading.

****IP Authentication:**

If you IP authenticate your electronic resources, please make sure we have your external IP ranges.

****Print Collateral:**

In the near future, we will be making full-color TeachingBooks bookmarks, posters and other files available electronically. Please let us know if you would like us to send you some.
