Meet newly awarded authors & illustrators via TeachingBooks Author Programs

Last week the American Library Association announced its annual award winners. Six award recipients are featured in original Author Programs produced by TeachingBooks, as noted below.

- Chris Raschka, Caldecott Medalist
- Bryan Collier, Caldecott Honoree and Coretta Scott King Illustrator Medalist
- Marilyn Nelson, Printz Honoree and Coretta Scott King Author Honoree
- Betsy Lewin, Theodore Seuss Geisel Honoree
- Pam Muñoz Ryan, Pura Belpré Author Honoree
- Mordicai Gerstein, Carnegie Medalist's featured author

Once you're signed in to TeachingBooks, just click on the red Author Programs tab and scroll to the award winner's last name, or find the winner by using the Search feature at:

<http://www.teachingbooks.net/search.cgi> .

New resources about other award winners and their books have also been added to TeachingBooks. Just search by the author's name or book title. And, as always, let us know if we've overlooked something by emailing carin@TeachingBooks.net .

Let more families know about TeachingBooks with new flyers

Do you have students who speak a language other than English at home? Now flyers about TeachingBooks have been translated into 20 different languages—from Cape Verdean to Vietnamese!

Download the flyers and see the list of languages at:

<http://www.teachingbooks.net/show.cgi?f=flyers> or follow these steps:

- 1) Click on "Support" in the very top navigation bar on TeachingBooks
- 2) Under Support Resources, click on "License Coordinator"
- 3) Under Sharing Resources, click on "Flyers"

These flyers are a great way to let families know about the exciting resources their students are welcome to use at school and at home.

Until next month, enjoy TeachingBooks!
