Introducing the Coretta Scott King Book Award Online Curriculum Resource Center on TeachingBooks.net!

One of the reasons we are so excited to be at ALA is to launch the Coretta Scott King Book Award Curriculum Resource Center. Created by TeachingBooks.net with the support of the Coretta Scott King Book Award 40th Anniversary Public Awareness Campaign Committee, this special collection of multimedia materials offers activities and online materials to support the reading, teaching, and discussing of the books, authors, and illustrators who have been recognized by the Coretta Scott King Book Awards. It is an exciting tool that commemorates 40 extraordinary years of books and advocacy about the American Dream.

If interested, come to a Monday program session or the Tuesday breakfast to participate in this celebration.

Thanks! Let us know how we can help you use and enjoy TeachingBooks! 800-596-0710
