

# Certificate of Completion

## TeachingBooks.net Professional Development Module for Sample Institution License

This certifies that Janet Doe has successfully completed the 90-minute online "TeachingBooks.net Training and Guided Inquiry Professional Development Module" on September 16, 2011.

Janet Doe's participation in this module led to the development of a comprehensive "Multimedia & Reading Implementation Plan" that identifies specific applications and resources to be integrated into literacy work.

This professional development opportunity contributed to Janet Doe's knowledge, competence, performance, and/or effectiveness as they pertain to literacy education, technology integration within reading instruction, and inquiry-based learning.
