## Strategies for achieving my literacy goals with TeachingBooks:

Book Readings (individualized instruction)

Text Complexity (differentiation)

\_\_\_\_\_ : *Date completed (if applicable)*

## I plan to collaborate with the following people:

Principal (Dr. Smith)

Other grade level teachers.

\_\_\_\_\_ : *Date completed (if applicable)*

## I shared the following:

I shared the links to the two titles I explored with my fellow grade level teachers. We all teach the same novels so they may be interested.

\_\_\_\_\_ : *Date completed (if applicable)*

## Reflections on my learning:

- I can include Author Interviews as an intro to novel units. I can create custom lists for my anchor texts.
- I look forward to learning more about how these resources can be used in my classroom.
- I will use the videos to introduce both novel units. The authors in their studios should inspire my students to read the book. I would like to have a video for more of the titles I am teaching.
- How do I find materials for Spanish speaking students?
